

10 Steps to Get Involved in Local Government in California

1 REGISTER TO VOTE.

The only way to vote in the Republican Party is to already be registered as a Republican in your city, county, and state. Find more information here: <https://registertovote.ca.gov>

2 GET INVOLVED WITH YOUR LOCAL CHAPTER OF THE REPUBLICAN PARTY.

First, look up your county Republican Party headquarters (e.g., "Ventura County GOP"). Next, contact their office and request to attend monthly meetings for the county and/or your respective Assembly District.

3 ATTEND YOUR LOCAL CITY COUNCIL MEETINGS.

You may be able to attend meetings in person or online. Look up "City Council meeting" in your city to find the time, meeting place, and agenda. This is an important preliminary step to being appointed to a variety of positions in local government.

4 BECOME A MEMBER OF YOUR ASSEMBLY DISTRICT'S CENTRAL COMMITTEE.

If there are vacancies in your county, you may apply to be a Central Committee Member. Responsibilities include candidate recruitment, fundraising, voter registration, electing, and more. If there are no vacancies, you can apply to be an Associate Member (non-voting). Find your Assembly District here: <http://www.legislature.ca.gov/assemblydistricts.html>

5 BECOME AN ELECTION OFFICIAL IN YOUR COUNTY.

Election officials play a crucial role in upholding the integrity of elections. Simply call your county's GOP office and ask to be placed on the list of Election Officials. You will then be contacted and given instructions closer to the next election.

6 RUN TO FILL LOCAL VACANCIES IN YOUR CITY AND COUNTY.

These may include positions on the School Board, City Council, Utilities Commission, or other organizations. Your voice is powerful and can make a huge difference in the context of local leadership. Find open positions here: <https://www.runforoffice.org>

7 RUN FOR OFFICE ON A STATE OR NATIONAL LEVEL.

If you feel called to run for office, The American Renewal Project is a great resource for emerging leaders. Discover more at: <https://theamericanrenewalproject.org>

8 JOIN YOUR LOCAL PARENT STUDENT ASSOCIATION/ORGANIZATION.

If you are a parent, this is a great way to get involved at your child's school. Be a voice for conservative families that believe in biblical values!

9 ATTEND TRAININGS BY THE PATRIOT PRECINCT PROJECT.

This is an initiative informing and empowering conservative voters to enact change in American politics. Discover more at: <http://patriotprecincts.com>

10 BE INFORMED!

Even if you are not running for a position or volunteering, make sure you are informed so you can elect Central Committee members who will hold the Republican Party leadership in your county accountable.
